My First Art Class (20-36 months)

This is a wonderful opportunity to introduce you and your child to their first art experience! Exploration and fun are the keys in this interactive art class for young children as we learn about color, shape, and texture. Children exercise their fine motor skills as they tear, glue, paint, and mold their way through imaginative creations. Cost: \$250

Little Masters (ages 3-5)

Little Masters will develop drawing, painting, sculpting and crafting skills through many different mediums that are appropriate for preschoolers. This class also offers an introduction to Art Appreciation as children will create an artist inspired masterpiece, learn art terminology and much more! Cost: \$250

Studio Art: Drawing & Painting (ages 4-10)

This art class is intended for students who are looking to advance their fundamental drawing & painting skills. Projects include animals, nature, still life, various master artists and landscapes using materials such as charcoal, pastel, ink, collage, watercolor & acrylic paint. Cost: \$270

Studio Art: 3D Design (ages 4-10)

Here's a chance for young artists to explore art through a variety of 3-dimensional lessons. We will study the works of Picasso, Calder, Stella, Giacometti, Chihuly and Judy Chicago, then create our own 3-D sculpture forms using

Preschool Of Rock (6 months-3 years)

Preschool of Rock is an energetic musical experience for children 6 months and up. Our use of Rock n' Roll rhythms, drum circles, guitars, big drums and world instruments engage and captivate both students and adults! We encourage investigation, discovery and creativity will all different types of music and instruments
Cost \$285

Preschool of Rock (ages 3-6)

We explore the basic How, What and Why's of music while having a great time. Children will learn the terms and anatomy of instruments, interpret lyrical content into big movement and dramatic play, and sing in a choral unison while incorporating different movements and languages. Cost \$315

BUILDING ROBOTS is excited to teach your child LEGO Robotics! Students will learn how to build LEGO creations, complete with sensors and motors. Classes teach computer programming, science, construction and teamwork in a fun environment. [For class info visit www.njbuildingrobots.com](http://www.njbuildingrobots.com)

Little Maestros (3 mo.—5 years)

Little Maestros, is a music performance class where music and friends are made. Each class features four live musicians who sing and play guitar, piano and drums. You and your child will love our musical story times, songs of all kinds, imaginative play, language development activities, puppet shows and "bubble

Baby & Me (3 months-12 months)

This baby class inspires movement through play with music, toys, parachutes, tunnels and bubbles. Each week children are given age appropriate toys to play with and motivate action. Sing along with our instructors to classics and contemporary songs while your child moves along. Cost \$195

FUTURE FASHIONISTAS is geared to today's savvy young girl who has expressed an interest in fashion + design. Completely different than a general art class, these classes focus on fashion illustration, collection design and runway fun. **To register for classes please go to www.futurefashionistas.com**
