**Let's Play in Italian**  
Let's Play in Italian is an educational program that teaches children and adults about the Italian language and culture through various techniques. We offer Mommy and Me classes, full and half day pre-school and kindergarten, and after school programs for children and teens. **To register go to <http://letsplayinitalian.com>.**

**Miss Judy's Art Class (Ages 3-8)**  
Miss Judy's Art Class introduces the world of art to children in a nurturing and inspiring way. We will learn about great artists past and present and learn about their technique and style. We will also explore a variety of artistic styles & mediums. Children will learn how to look at & talk about art, including their own. **To register email [missjudysartclass@gmail.com](mailto:missjudysartclass@gmail.com).**

**Story Book Art** (Mommy & Me: Ages 20 months and up) Join us every week as we explore many favorite children's authors, stories and characters... with an accompanying art project and activity for each book we read! **Call 908-232-4949 or email [info@creativekidsnj.com](mailto:info@creativekidsnj.com) to register.**

**FREE Drop-In Storytime** (Ages 4 months and up) Join us for an energetic and fun storytime! **Call 908-232-4949 or email [info@creativekidsnj.com](mailto:info@creativekidsnj.com) to register.**

**Sew What ? Sewing** This is a fashion design program for children ages 9 and up. Sewing classes allow the inner designer to come out & create their very own masterpiece. **Register @ <http://www.sewwhatsewing.com>**

**Science Matters For Kids** (Ages 3-7)  
Your young scientist will experience Real Science first hand! Get involved in the scientific method and processes to discover, observe and experience the world around them. Students will bring home materials and information for you to continue their exploration at home together with them. **To register go to <http://whatmattersforkids.com/> or call 732-637-9635.**

**Pipsqueak Players** is a reading enrichment program that will boost your child's fluency and confidence! Class utilizes improv, puppets, storyboarding, repetition, and character "work." If your child has a budding interest in theater or is aspiring to move up a reading level, our class is a fun ensemble experience. **To register go to <https://pipsqueakplayers.wixsite.com/website>**

**Into to Coding** allows young kids to learn the fundamentals of programming at an appropriate pace. The class is structured to ensure younger children are grasping the concepts while having a blast creating 3D video games with a friendly interface and immediate results. **Call 908-232-4949 or email [info@creativekidsnj.com](mailto:info@creativekidsnj.com) to register.**

**Coding through 3D Video Game Design** allows kids to learn the building blocks of coding in a fun, interactive setting. Kids have a blast creating their own 3D video games and adventures while learning fundamental coding concepts such as loops, variables, and constructors. **Call 908-232-4949 or email [info@creativekidsnj.com](mailto:info@creativekidsnj.com) to register.**

**Kids' MusicRound** is an ENERGETIC, SINGING, CLAPPING, DANCING, FUN-filled award winning music and movement mommy and me class. You and your child will spend 45 minutes singing, dancing and playing with various instruments, ribbon wands, scarves and other fun stuff! **To register go to <http://www.kidsmusicround.com>.**

**Tutus for Tots** (20 months-36 months w/caregiver)  
Share your child's first dance class experience with this beginner ballet class! Experiment with rhythm, with instruments and dance steps, opening up the exciting world of dance in an informal, but structured way. **Call 908-232-4949 or email- [info@creativekidsnj.com](mailto:info@creativekidsnj.com) to register.**

**Spanish (6 months- 9years)**  
Learn Spanish through music, games, puppet shows & story telling. For more info call 908-322-5430 or email [info@languageandenrichmentcenter.org](mailto:info@languageandenrichmentcenter.org)
