FALL 2017 Schedule

Story Book Art (Mommy & Me: Ages 20 months and up) Join us every week as we explore many favorite children's authors, stories and characters... with an accompanying art project and activity for each book we read! Call 908-232-4949 or email info@creativekidsnj.com to register.

Miss Judy's Art Class (Ages 3-8)

Miss Judy's Art Class introduces the world of art to children in a nurturing and inspiring way. We will learn about great artists past and present and learn about their technique and style. We will also explore a variety of artistic styles & mediums. Children will learn how to look at & talk about art, including their own. To register email missjudysartclass@gmail.com.

Baby Ballet (Ages 3- 12 months)

This mommy and me class is filled with ballet based exercises for you and your baby! Get ready to point your toes, plie and tip toe to all our engaging classical music and songs. Call 908-232-4949 or email info@creativekidsnj.com to register.

Tutus for Tots (20 months-36 months w/caregiver)

Share your child's first dance class experience with this beginner ballet class! Experiment with rhythm, with instruments and with dance steps, opening up the exciting world of music and dance in an informal, but structured way. Call 908-232-4949 or email info@creativekidsnj.com to register.

Yoga with Miss Lauren (Ages 4-8) A fun, fast-paced class that combines yoga with concepts that a young child can understand, building a weekly practice while planting the seed of being a kind, loving person. We will learn all different poses, play games, read books, and get to know each other in a safe, judgment free environment. Register at <https://wompys.com/yoga/>

Sew What ? Sewing Sew what? Sewing is a fashion design program for children ages 9 and up. Sewing classes allow the inner designer to come out and create their very own masterpiece from the initial inspiration to finished project. Register @ <http://www.sewwhatsewing.com>

Little Chefs (Ages 3 and up) Get ready for a super fun hand-ons cooking experience and plant the seeds of healthy eating early on. Have your child expand their taste buds by creating easy, healthy, and yummy recipes every week. The menu for each class will use the freshest fall fruit and vegetables. To register go to <http://peasfulkitchen.com/summit-short-hills-westfield-beyond/> Class runs 9/20-10/25

Kids' MusicRound is an ENERGETIC, SINGING, LAUGHING, CLAPPING, DANCING, FUN-filled award winning music and movement mommy and me class. From Birth to 5 years old you and your child will spend 45 minutes singing, dancing and playing with various instruments, ribbon wands, scarves and other fun stuff! To register go to <http://www.kidsmusicround.com>.

Science Matters For Kids (Ages 3-7) Your young scientist will experience Real Science first hand! Kids are actively involved in the scientific method and processes to discover, observe and experience the world around them. Students will bring home materials and information for you to continue their exploration at home together with them. Class offered in two 6 week sessions. To register go to <http://whatmattersforkids.com/> or call 732-637-9635.

Intro to Coding (Grades K-2) Kids learn the fundamentals of programming at an appropriate pace. We anticipate children will have different levels of exposure to using computers so we structure the class to ensure these younger children are grasping the concepts while having a blast creating 3D video games with a friendly interface and immediate results. ! Call 908-232-4949 or email info@creativekidsnj.com to register.

Coding through 3D Video Game Design (Grades 3-5) Learn the building blocks of coding in a fun, interactive setting. Kids have a blast creating their own 3D video games and adventures while learning fundamental coding concepts such as loops, variables, and constructors. Games are visually very engaging and deliver immediate, in-class satisfaction. Call 908-232-4949 or email info@creativekidsnj.com to register.

Let's Play Italian, Mommy & Me (6 months- 2.5 years) Learn Italian with your child through Let's Play in Italian's proven method of play. Both parent & child will learn basic Italian words through music, games, puppet shows & story telling. To register go to <http://letsplayinitalian.com>.
