Make a Masterpiece 1, 2 & 3

In this bright and colorful camp we will explore the works of Pablo Picasso, DaVinci, Henri Matisse, Andy Warhol, Jasper Johns and more! Join in as we learn about these famous artists and their techniques. This camp includes collage, sculpture, painting and more!

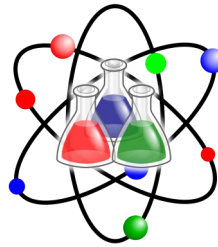

Cooking Matters for Kids

Cooking Matters For Kids classes are designed to teach kids how to cook! Kids are introduced to cooking in a fun and exciting way – they actually make food while also learning about the culture, history and variations of the food of the day. Pasta (from scratch), crêpes, and so much more!

Slime Camp

Join us for a week of slimy fun! We will create, concoct and experiment with everything gross and slimy! Plus, we will be bringing a different slime home that we will create each day!

Science Camp

Each day of this interactive science camp is filled with cool experiments and activities to engage your child's brain!

So Long Summer!

Have fun as we create artwork inspired by the end of Summer! Of course there's time for fun, games and snacks too!
