

Birthday Party Art Projects

With these great art activities to choose from, we are sure you are going to find one your birthday child and guests will LOVE!

- **Matisse Doodles** – Let's create art like Matisse using many shapes and colors. Children will create a design using free from shapes in the style of Matisse.
 - **Picasso** – Create a bouquet just like Picasso using simple shapes, collage, paint and more!
 - **O'Keeffe Doodles** – Use tempera paint or pastel chalk to create large scale flower paintings in the style of Georgia O'Keeffe.
 - **Kandinsky** - Our paintings will be full of bright colors and beautiful shapes as we learn about creating art to music just like Kandinsky.
 - **Van Gogh** - We will use watercolors and crayon resist technique to create our own "Starry Night" just like Van Gogh's well known work of art!
 - **Monet's Garden**- Gaze upon Monet's flower paintings and create your own flower garden using collage, paint and much more.
 - **Cook Your Food** – Use colors and collage techniques to create burgers, cake, and ice cream! Yum!!
 - **Wash the Dishes** – Learn about pottery and create your own dish using Japanese Raku pottery techniques.
 - **Indian Elephant**- Use paint, collage and more as we create our one of a kind Indian Festival Elephants.
 - **Mexican Sun Doodle**- Inspired by Mexican culture, we will create traditional Mexican Sun Faces using many different kinds of materials such as clay and paint.
 - **Gyotaku** - Learn the Japanese art of fish printing while using paint to create a unique underwater scene.
 - **Bubble Wrap Doodles** – Cool textures and great colors make this painting lesson fun for all ages.
 - **Bugaboo Doodles** – Create your own imaginary creature using paint and action art techniques inspired by Jackson Pollock.
