My First Art Class (20-36 months)

This is a wonderful opportunity to introduce you and your child to their first art experience! Exploration and fun are the keys in this interactive art class for young children as we learn about color, shape, and texture. Children exercise their fine motor skills as they tear, glue, paint, and mold their way

Globe Trotters (Ages 2-5)

Come travel with us, as we paint, sculpt, draw, and build our way around the world! Children will have the opportunity to delve into a rich cultural exploration of art and stories native to each place we visit. Children will be exposed to new and exciting artistic mediums and methods each week and gain valuable insight to the world around them. Cost: \$235

MOM'S CLUB For moms and babies 6 weeks-8 months.

Meet new moms, learn about your baby and yourself. Socialize and learn a new topic each with with Parenting Coach Tammy Gold. Topics will include: sleeping, feeding, intro to solids and much more! Cost: \$120

Little Maestros (3 mo.—5 years)

Little Maestros, is a music performance class where music and friends are made. Each class features four live musicians who sing and play guitar, piano and drums. You and your child will love our musical story times, songs of all kinds, imaginative play, language development activities, puppet shows and "bubble music."

Preschool Of Rock (6 months-5 years)

Preschool of Rock is an energetic musical experience for children 6 months and up. Our use of Rock n' Roll rhythms, drum circles, guitars, big drums and world instruments engage and captivate both students and adults! We encourage investigation, discovery and creativity will all different types of music and instruments TO REGISTER PLEASE VISIT WWW.PRESCHOOLOFROCK.ORG

FUTURE FASHIONISTAS is geared to today's savvy young girl who has expressed an interest in fashion + design. Completely different than a general art class, these classes focus on fashion illustration, collection design and runway fun. **To register for classes please go to www.futurefashionistas.com**

BUILDING ROBOTS is excited to teach your child LEGO Robotics! Students will learn how to build LEGO creations, complete with sensors and motors. Classes teach computer programming, science, construction and teamwork in a fun environment. [For class info visit www.njbuildingrobots.com](http://www.njbuildingrobots.com)
